Card Antenna for AS-3

1. As previously discussed with R&D personnel, this Staff desires to explore the possibility of using a card antenna with the AT-3. Accordingly, we request that 2 each card antenna's, size 8" x 10", be fabricated using glass epoxy base, copper laminate. Elements to be 1/16" wide with 1/16" spacing and are to follow the 8" dimension.

2. For further information please contact
